This is not an exact replica of the remittance form, which still was being formatted and printed as the Standard went to press. This box illustrates the primary options and wording to be used on the form. Copies of the official form will be mailed to churches before the end of this year, for use beginning in January. Church treasurers desiring assistance with completing the new form should contact the BGCT treasurer's office at (888) 730-2428.
