

Update: TBM activates feeding units

July 24, 2008

DALLAS - Texas Baptist Men has activated three feeding units to serve in the wake of Hurricane Dolly.

A unit out of San Antonio is going to McAllen, where it will support a shelter for people with special needs.

A unit out of Dallas is headed to Harlingen, and a unit from Lindale will minister in Brownsville.

Baptist General Convention of Texas staff members in the Rio Grande Valley are assisting the Rio Grande Valley Baptist Association in assessing needs. Other BGCT personnel are on their way to help as well.

Now a tropical storm, Dolly dumped rain over Texas and Mexico Thursday after pummeling the coast as a category two hurricane a day earlier, leaving widespread floods in its wake.
