An outline from Jason Burden's handwritten notes

Getting Alone With God

- Free From Distractions
- Creating an Opportunity to Experience God
- Making Space in your life to process your commitment to God.

Engaging With God

- Wrestling — “Rolling in the Dust”
 - Struggling with what God Commands
 - Struggling with God's Direction for your life
 - Struggling with Temptations and Distractions
- God is looking for Christians who will HOLD ON to HIM.

Passing Along Our Relationship With God

- Will we be found faithful with our resources?
 - Will our checkbooks and bank records show our faithfulness?
- Will we be found faithful in our worship?
 - Will our pattern of worship and devotion be noticed by our children?
- Will we be found faithful in our evangelism?
 - Will there be someone else here because you shared how God impacted your life?
